JUDGMENT

Complaint of the petitioner is that though petitioner has submitted the revised plan, respondent is not processing it. According to the respondent, it is returned to cure the defect as per Ext.P2. Counsel for the petitioner submits that it was subsequently cured. Counsel for the respondent submits that a decision will be taken on the revised plan which has been submitted after curing the defects within a period of six weeks.

Having regard to all facts, the writ petition is disposed of directing the respondent to take up the revised plan submitted by the petitioner, if the defects have been cured and take a decision on the same in accordance with law within a period of one month from the date of receipt of a copy of this judgment.
